Turtle Key Arts

producing performance arts

What is Turtle Key Arts

- Turtle Key Arts is a performance arts production company which produces, manages and devises performance arts projects with a particular emphasis on original and groundbreaking work.
- They combine production and technical skills and training to work with artists, venues, disability arts organisations and the education sector both nationally and internationally.

Ockham's Razor

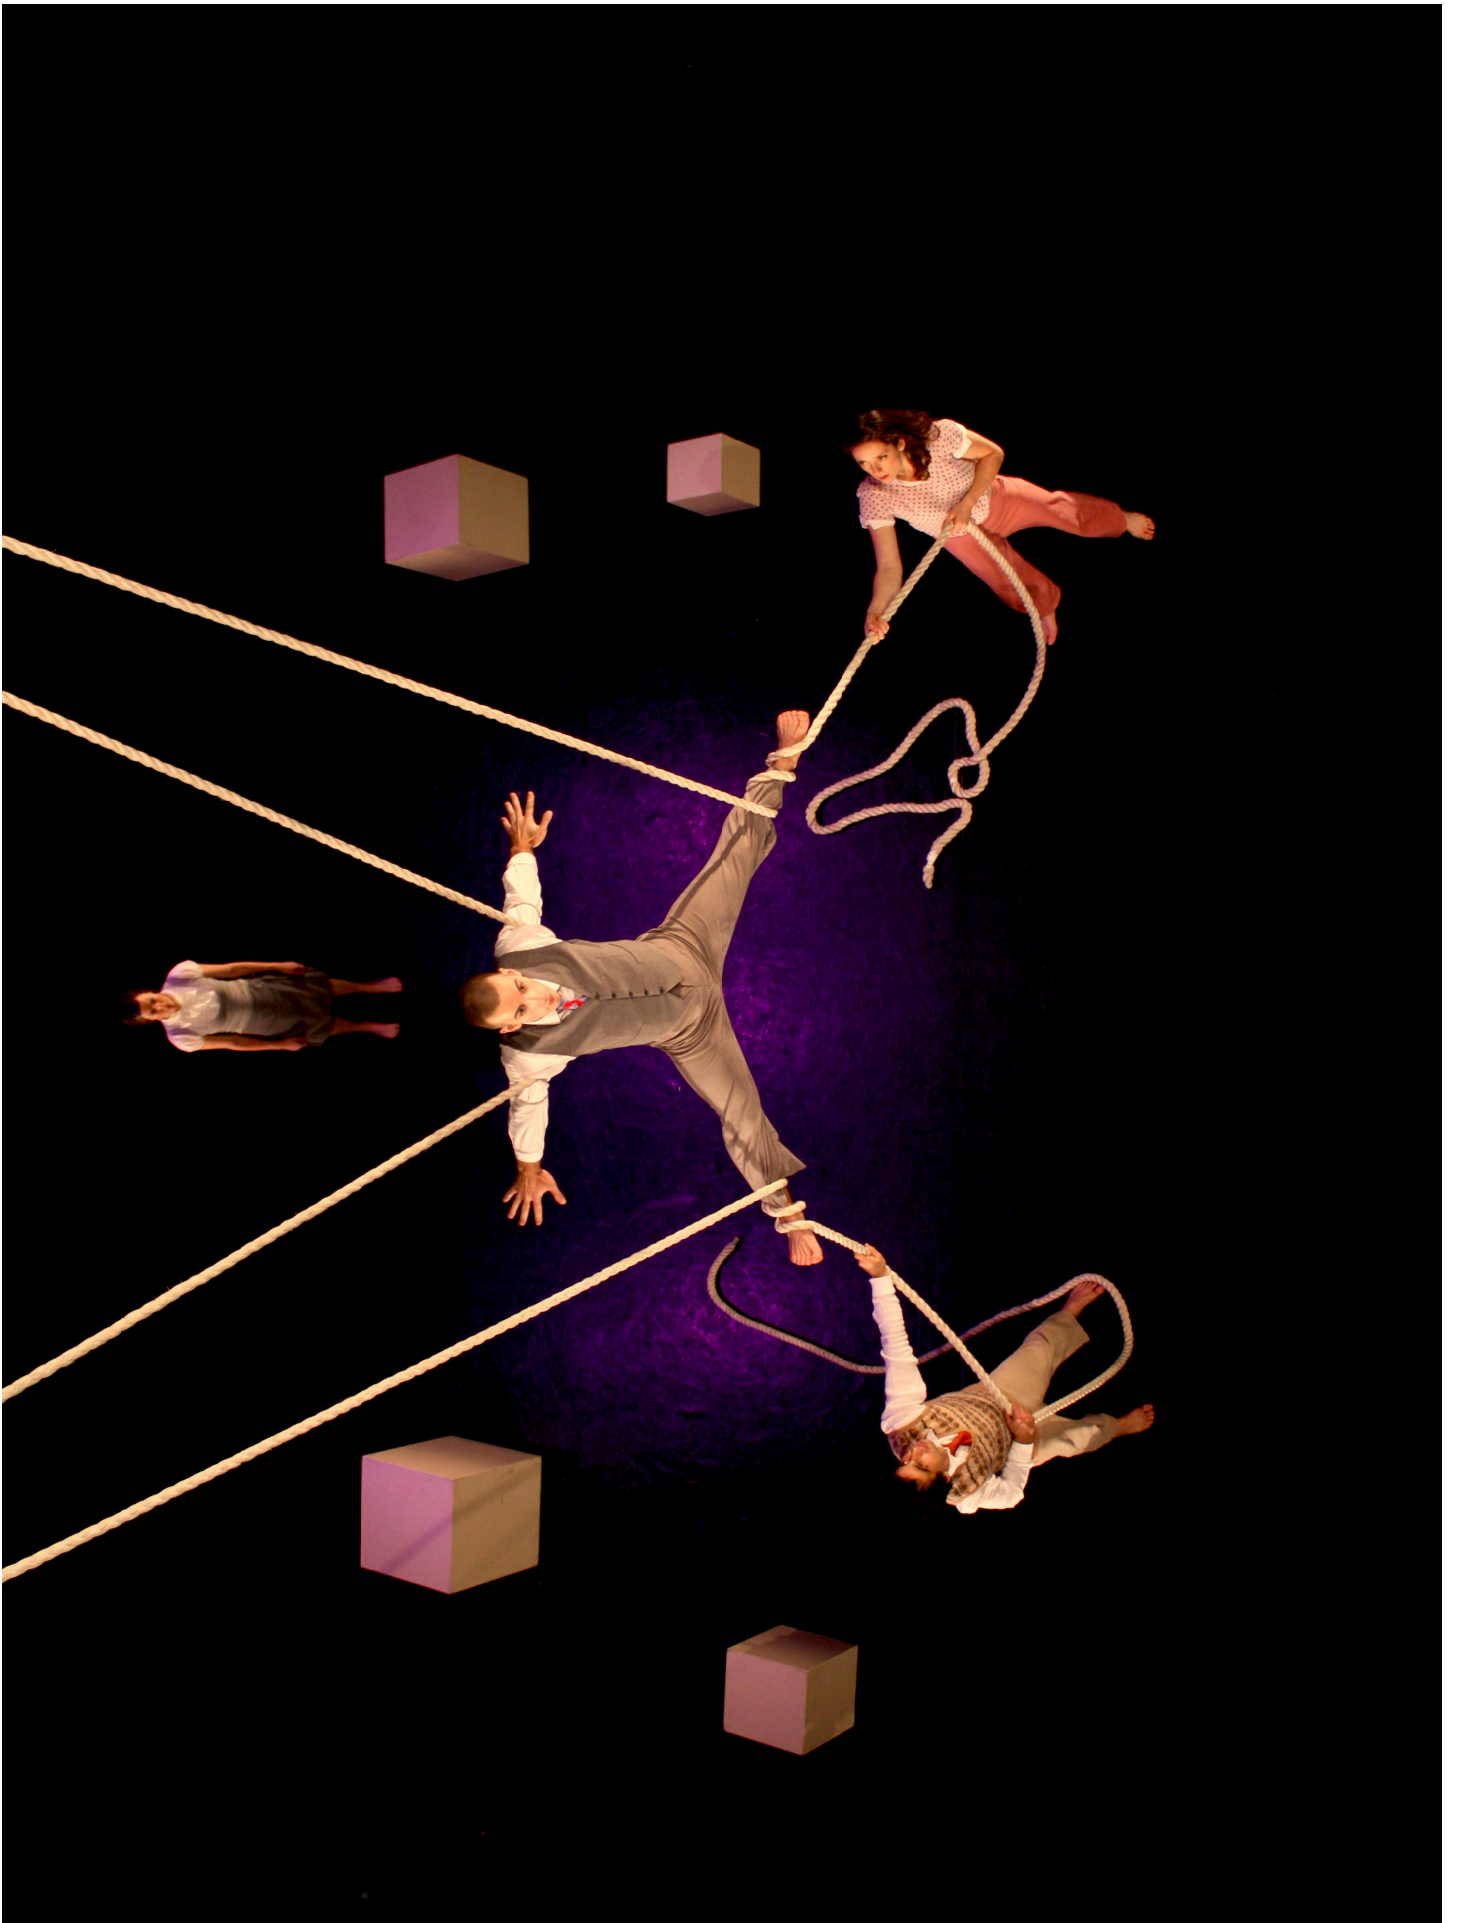

- Ockham's Razor combines Circus and Theatre to create original work that is visually arresting and entertaining', continually pushing the boundaries and perceptions of circus theatre. The company specialise in creating physical theatre around new pieces of aerial equipment

Mission

- To create and devise collaborative work
- To have a simple and accessible ethos
- To be universal

“dazzling airborne routines” The Telegraph

“physically thrilling” The Sunday Times

“daring aerial theatre” The Independent
